Geared for the pre-professional dance student. This two to four week program provides Russian based classical ballet training, and additional classes in styles such as jazz, modern, contemporary, character, tap, pilates, repertoire and more. A final performance concludes the program.

The Central Florida Ballet Summer Intensive is a formal program offering professional ballet training in the Russian Method as well as a variety of other dance styles. The program is designed to both challenge and encourage young dance students. Classes are held in Central Florida Ballet's studios, which are equipped with sprung flooring. Students are placed in ballet groups by age and ability. Depending on their level, students can expect 3 to 7 hours of dance each day (except weekends).
